### **Immunization Information:** (FOUND DIRECTLY OFF tn.gov)

The Tennessee Department of Health has new rules for immunization requirements in child care, pre-school, school, and college. Visit Tennessee Department of Health for more information at <http://tn.gov/health/section/immunization-program>.

#### *Children enrolling in child care facilities, pre-school, pre-Kindergarten:*

Infants entering child care facilities must be up to date at the time of enrollment and are required to provide an updated certificate after completing all of the required vaccines due no later than 18 months of age.

- Hepatitis B (HBV)
- Diphtheria-Tetanus-Pertussis (DTaP, or DT if appropriate)
- Poliomyelitis (IPV or OPV)
- Haemophilus influenzae type B (Hib) - age younger than 5 years only
- Pneumococcal conjugate vaccine (PCV) - age younger than 5 years only
- Measles, Mumps, Rubella - 1 dose of each, normally given together as MMR
- Varicella - 1 dose or credible history of disease
- Hepatitis A - 1 dose, required by 18 months of age or older

#### *Children enrolling in Kindergarten:*

- Hepatitis B (HBV)
- Diphtheria-Tetanus-Pertussis (DTaP, or DT if appropriate)
- Poliomyelitis (IPV or OPV) - final dose on or after the 4th birthday
- Measles, Mumps, Rubella - 2 doses of each, usually given together as MMR
- Varicella - 2 doses or credible history of disease
- Hepatitis A - total of 2 doses, spaced at least 6 - 18 months apart

## **Sevierville Relocation & Community Resource Guide:**

*All children entering 7th grade (including currently enrolled students):*

- Tetanus-diphtheria-pertussis booster (Tdap) - evidence of one Tdap dose given any time before 7th grade entry is required regardless of Td history
- Varicella - 2 doses or credible history of disease

*Children who are new enrollees in a TN school in grades other than Kindergarten:*

- Hepatitis B (HBV)
- Diphtheria-Tetanus-Pertussis (DTaP, or DT if appropriate)
- Poliomyelitis (IPV or OPV - final dose on or after the 4th birthday)
- Measles, Mumps, Rubella - 2 doses of each, normally given together as MMR
- Varicella - 2 doses or credible history of disease
- New students entering grades other than 7th grade are not required to have Tdap

*Children with Medical or Religious Exemption to Requirements:*

- *Medical* - Physicians (MD or DO) or Public Health Nurses are authorized to indicate specific vaccines medically exempted (because of risk of harm) on the certificate. Other vaccines remain required. The medical reason for the exemption does not need to be provided.
- *Religious* - This exemption requires a signed statement by the parent/guardian that vaccination conflicts with their religious tenets or practices. If the child needs documentation of a health examination for the school, it must be noted by the healthcare provider on the immunization certificate. In that case, the provider should check the box in section 1a. that the parent has sought a religious exemption to explain why immunization information is absent or incomplete.

*Full-Time Tennessee College Students:*

- Measles, Mumps, Rubella (2 doses of each, usually given together as MMR): if born on or after January 1, 1957 only.
- Varicella (2 doses or history of disease): if born on or after January 1, 1980 only, Effective (July 1, 2011)
- Hepatitis B (HBV)-only for health science students expected to have patient contact (before patient contact begins) Effective (July 1, 2011) Students should also consider the need for the Meningococcal vaccine, particularly if the student will be living in a dormitory.

*Minimal Ages or Dose Intervals:*

- Tennessee follows published CDC guidelines. For vaccines with critical minimum age requirements (e.g., MMR, varicella) or minimum dose intervals, doses are considered valid if given up to 4 days before the minimum age or dose interval. Doses administered more than 4 days early are considered invalid and should be repeated as recommended.

*Alternative Proof of Immunity for Certain Diseases:*

- A positive serology (year of test documented) is acceptable as an alternative to immunization for measles, mumps, rubella, hepatitis A, hepatitis B or varicella. For varicella, documentation of provider diagnosed varicella or provider-verified credible history of disease given by a parent or guardian also is acceptable. By documenting a history of disease, the provider is asserting that he or she is convinced that the child has had chickenpox.

## **Sevierville Relocation & Community Resource Guide:**

### **Business License and Tax Information:**

<http://seviervilletn.org/index.php/business/business-license.html>

### **Business Center**

You can apply for a business license online. You must choose between a minimal activity license (gross sales of \$3,001 to \$9,999) or a standard business license (gross sales over \$10,000). You can also find local businesses in our searchable database.

The following information is designed to inform you of Business Tax in general. It is not intended to completely address the lengthy and complex business tax laws and regulations.

Business Tax is administered by the Tennessee Department of Revenue. Business Tax is classified as a privilege tax for the right to do business within the counties and cities of Tennessee

### **HOW DO I OBTAIN A BUSINESS LICENSE?**

When applying for a business tax license, you must provide the following:

- Business name, business address, business telephone number
- Owner's name(s), home address, home telephone number, social security number
- Name of person(s) or company owning the personal property (equipment, etc.)
- Copy of owner(s) driver's license
- Signature of each owner

Also when applying, you will be required to give your dominant business activity of item(s) sold or services rendered that will generate the most sales and/or revenues. This office will properly classify you according to your dominant business activity. Business tax has four (4) different classifications, each with its own tax rate, as shown below. Each classification contains a variety of businesses.

Effective September 1, 2002, Chapter 856 of the Public Acts of 2002 amends the Business Tax by increasing the Business Tax rates.

Effective January 1, 2014, taxpayers will be required to file pro-rated tax return in order to transfer all businesses to a fiscal year.

Effective January 1, 2015, Class 1 Taxable Period is from 01/01 to 12/31, and the Due Date is 04/15. The \*Retail Tax Rate is 1/10 & 1/20 of 1% and the \*Wholesale Tax Rate is 1/40 & 3/80 of 1%

Class 2 Taxable Period is from 01/01 to 12/31, and the Due Date is 04/15 The Retail Tax Rate is 3/20 of 1% and the Wholesale Tax Rate is 3/80 of 1%

## **Sevierville Relocation & Community Resource Guide:**

Class 3 Taxable Period is from 01/01 to 12/31, and the Due Date is 04/15. The Retail Tax Rate is 3/16 of 1% and the Wholesale Tax Rate is 3/80 of 1%

Class 4 Taxable Period is from 01/01 to 12/31, and the Due Date is 04/15. The Retail Tax Rate is 1/10 of 1% and there are no Wholesale Tax Rates for class 4

\* Tax rate depends on type of business in this classification

You are required to provide the total gross sales and/or revenues for items sold and services rendered, apply the appropriate tax rate(s) and file electronically to the Dept. of Revenue.

Business tax returns must be electronically filed and payments remitted electronically to the Department of Revenue beginning January 1, 2014. Paper returns and checks will not be allowed. The Department of Revenue will no longer mail business tax returns to taxpayers after this date. In 2014 taxpayers will be required to file a prorated tax return in order to transfer all businesses to a fiscal year. Taxpayers not currently registered for electronic filing should register immediately in order to obtain a user name and password. Taxpayers should call 866-368-6374 or 615-253-0704 for questions regarding registering (It is not possible to register for electronic filing and then immediately file a tax return that is due; pre-registration is mandatory.)

All returns as of January 1, 2015, will be on a fiscal year of January through December and must be filed before April 15th of each year. All classifications and tax rates will remain the same only the filing period will change. Taxpayers can contact the Tennessee Department of Revenue at [www.TN.gov/Revenue](http://www.TN.gov/Revenue) or 800-342-1003/615-253-0600 or email them at [business.tax@tn.gov](mailto:business.tax@tn.gov)

The fee for a Sevier County business license is \$15.00.

· Effective January 1, 2014, the report of gross sales, payment of taxes, a renewal of licenses must be made electronically to the Dept. of Revenue. Paper returns and checks will not be allowed. The Dept. of Revenue will no longer mail business tax returns to taxpayers.

· Both penalty and interest are charged on delinquent returns.

· Final business tax returns are due within 15 days of termination, sale or closing of a business.

· To close minimal activity licenses, contact the Sevier County Clerk's office at 865-453-5502.

· If a business tax license is obtained yet the business never started, please notify this office if your business changes or business mailing address changes.
